

Canadian Brownfields Network

Canada's Voice for Brownfield Redevelopment

Advocates brownfield redevelopment as an essential component of sustainable communities and urban revitalization in Canada.

Represents the interests of multiple stakeholders to address the barriers associated with brownfield redevelopment in Canada.

Goal of the CBN: provide research, advocacy and clarity on issues related to brownfields.

Executive Members:

Highlights of CBN Achievements

Policy and Advocacy

- Joint submissions and letters on government policy (national and provincial)
- Working sessions to develop strategic policies and frameworks:
 - o National framework for removal of crown liens and tax arrears
 - o Brownfield financing (Federation of Canadian Municipalities)
- Research and review
 - o Jurisdictional Review of Qualified Persons to Identify "Best Practices"
 - o FCM's GMF Brownfield Loan Program to improve the "value proposition"
 - o A Review of Canada's Progress in Response to the National Round Table on the Environment and the Economy's 2003 National Brownfield Redevelopment Strategy

Linkages and Connectivity

- National Advisory Panel
- Network of strategic organizations from across Canada
- Strategic input into federal initiatives (CCME's Task Group on Contaminated Site Liability and Brownfields; Eco-Canada's Contaminated Sites Labour/Supply-side Market Studies)

Outreach and Capacity-Building

- Canada-wide brownfield workshops
- Annual Canadian Brownfields Conference
